

CITY OF SANTA MARIA ENVIRONMENTAL CLEARANCE FORM

PLANNING DIVISION • 110 SOUTH PINE STREET ROOM 101 • SANTA MARIA, CA 93458 • 805.925.0951 X 2244

The purpose of this form is to assist in determining the level of environmental review to comply with the California Environmental Quality Act. Providing accurate and complete information will allow efficient processing. Use additional sheets of paper if needed to respond fully.

Project Name: _____

Project Address: _____ APN(s): _____

Project Description: _____

Applicant: _____

Applicant's Address: _____

Phone No.: _____ Email: _____

General Plan Land Use Designation: _____ Zoning Classification: _____

Size of site (acres or square feet): _____

	SQUARE FOOTAGE		PERCENTAGE OF SITE	
	EXISTING	PROPOSED	EXISTING	PROPOSED
STRUCTURES				
PAVED AREAS				
TOTAL IMPERVIOUS AREA:				
LANDSCAPING				
OPEN SPACE				
TOTAL:				

Stormwater Post Construction Requirement category: Tier 1 Tier 2 Tier 3 Tier 4

Water Management Zone (WMZ): WMZ 1 WMZ 4 w/ Groundwater

Are there existing structures on the project site: Yes No

If yes, what are/were they used for: _____ When were they built: _____

If there are no existing structures, what is/was the property used for: _____

Estimated water demand of the project in acre-feet per year: _____

Estimated sewage generation of the project in gallons per day: _____

Describe the existing on-site vegetation: _____

Describe the surrounding land uses:

NORTH _____
SOUTH _____
EAST _____
WEST _____

Is the project located on filled land or on a slope of 10 percent or more? Yes No Unknown

Are there any cultural, historical or scenic aspects with the project site? Yes No Unknown

If yes, describe them: _____

INFORMATION FOR RESIDENTIAL PROJECTS ONLY

Total number of dwelling units: _____

Size of dwelling units:

# of Units	# of Bedrooms	# of Bathrooms	Square Footage
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Number of parking spaces provided: _____ covered _____ uncovered _____ total

INFORMATION FOR LAND DIVISION PROJECTS ONLY

Type of land division: Residential Commercial Industrial Lot Line Adjustment

Number of lots proposed: _____

Size of lots (indicate range): _____

INFORMATION FOR NON-RESIDENTIAL PROJECTS ONLY

Square footage of the proposed structures: _____ Existing structures (to remain): _____

Days and hours of operation: _____

Number of total employees and employees per shift: _____

Daily expected patronage or capacity of the use: _____

Describe the basic operations/procedures of the proposed use: _____

Describe the amount and type of materials that will be discharged into the air as a result of the project:

Describe the amount and type of waste products (if any) that this project will generate (other than domestic sewage):

Describe the amount and type of noise, odor, smoke or vibration (if any) resulting from operation of the project:

Describe the materials to be used, manufactured, stored, or sold on the premises:

Will the project use or store potentially hazardous materials on-site? Yes No

 If yes, attach a list of all chemicals or other toxic/hazardous materials and their amounts.

Estimated number of truck deliveries per day: _____ Expected delivery hours: _____

Number of parking spaces provided: _____

RELATIONSHIP TO OTHER PROJECTS

Describe this project's relationship (if any) to a larger project or a series of projects (general plan amendments, annexations, land divisions, etc.). Include relevant phasing information:

Identify any potential future projects which are closely related to or made possible by the proposed project. If these projects, together with the proposed project, could incrementally result in one or more significant environmental impacts, list those impacts:

CATEGORICAL EXEMPTION DETERMINATION

This section must be completed if the environmental determination is a categorical exemption. Attach additional sheets if necessary.

- A. For Classes 3, 4, 5, 6, and 11, is the exemption inapplicable because the project may impact an environmental resource or hazardous or critical concern which is designated, precisely mapped and legally adopted by a governmental agency?
 Yes No

Discussion _____

- B. Is the exemption inapplicable because the cumulative impact of successive projects of the same type in the same place, over time is significant?
 Yes No

Discussion _____

- C. Is the exemption inapplicable because there is a reasonable possibility that the activity will have a significant effect on the environment due to unusual circumstances?
 Yes No

Discussion _____

I hereby certify that I have reviewed the information submitted by the applicant and it is true and correct to the best of my knowledge which is based on
