ICE Appeal Meeting Postponed

The special meeting of the Santa Maria City Council scheduled for Wednesday, March 12, 2014 has been postponed due to a noticing defect.

The City will reschedule the meeting for the appeal of the Planning Commission's approval of a Planned Development Permit to allow a developer to build a 12,700-square-foot office building at 740 West Century Street to house an immigration facility for the U.S. Immigration and Customs Enforcement (ICE) agency.

The approximately 120 residents who live within 1,000 feet of the proposed project did not receive mailed notice of the appeal 10 days prior to the hearing as required by law.

The new date for the meeting will be determined.

Questions may be directed to the City Manager's Office, 925-0951 ext. 372.
