Celebrate Arbor Day

Arbor Day is a chance for us to acknowledge the vast benefits we receive from our trees and forests. The trees in our community clean the air, beautify our neighborhoods, provide homes for wildlife, conserve energy and topsoil, and help keep the atmosphere in balance.

In honor of Arbor Day, the City of Santa Maria Recreation and Parks Department has partnered with the Santa Maria Valley Discovery Museum and Santa Maria Valley Beautiful in a shared celebration. The organizations will have a special Arbor Day celebration at the Discovery Museum on Saturday, April 26 from 10:00 a.m. to noon.

The community is invited to stop by and take part in the festivities. There will be information on the history of Arbor Day and the important role trees play in our City. Plus, there will be a tree planting activity for children and a special appearance by Terry the Tree!

The Discovery Museum is located at 705 S. McClelland Street in Santa Maria.

Questions may be directed to the Recreation and Park Department, 925-0951 ext. 260.
