Recreation and Parks Department Hosts Volunteer Program Orientation

Volunteers, we want you! The Santa Maria Recreation and Parks Department is pleased to announce its new volunteer program, Step Up Santa Maria. This program provides volunteers with an opportunity to help the department build a stronger and healthier community, while having fun and building their résumés.

Volunteer services enable the Recreation and Parks Department to offer quality and affordable recreation and leisure programs and beautiful parks and facilities. Volunteers will learn new skills and make new friends as they contribute their time and talents to improving the Santa Maria Valley.

Step up and put your skills to work by assisting in any of the various volunteer opportunities available in the areas of:

Active Living Programs
Sports
Youth and Teen Services
Facility Beautification

Special Events
Aquatics
Office Support
Park Maintenance

Join the Santa Maria Recreation and Parks Department at its first volunteer program orientation on Saturday, May 3 from noon to 2:00 p.m. at the Abel Maldonado Community Youth Center, 600 South McClelland Street. All volunteers ages 13 and older are welcome.
