Concerts in the Park Featuring Livewire

The City of Santa Maria Recreation and Parks Department invites the entire community to the next Concerts in the Park event on Sunday, August 24 from 1:00 to 3:00 p.m. at Rotary Centennial Park, 2625 South College Drive. Catch a free, live performance from Livewire as they play your favorite classic rock hits from the '70s to today.

Livewire has been performing throughout the Central Coast since 2003. The five-member rock band includes Joyce Michaels (lead vocals), Ron Johnson (guitar and keyboards), Steve Sanders (lead guitar), Dan Robinette (drums), and Chris Erickson (bass). The band has created a unique sound by blending a wide variety of styles ranging from blues rock, progressive metal, jazz, and country. The result is a one-of-a-kind, high energy performance. A few of the artists Livewire covers are Pat Benatar, AC/DC, Heart, Led Zeppelin, Journey, No Doubt, and Grace Potter. Stop by Concerts in the Park and get ready to rock out with Livewire.

Don't miss the last Concerts in the Park performance with The Bomb on Sunday, August 31 from 1:00 to 3:00 p.m. at Preisker Park, 330 Hidden Pines Way.
