Santa Maria Valley Management Area

2012 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition

The Twitchell Management Authority (TMA) will hold a public hearing on Thursday, July 11, 2013 at the Santa Barbara County Board of Supervisors' Hearing Room in Santa Maria, 511 East Lakeside Parkway, at 2:00 p.m. The purpose of this hearing is to discuss, and receive public comments, regarding the Santa Maria Valley Management Area *2012 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition*. The Annual Report was prepared by Ludhorff and Scalmanini, the Santa Maria Valley Management Area Engineers, according to the terms of the June 30, 2005 Stipulation in the Santa Maria Valley Water Conservation District v. City of Santa Maria, et al. A representative from Ludhorff & Scalmanini will make a presentation and answer questions. Members of the Twitchell Management Authority will also be available to answer questions.

The *2012 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition* is available at <http://www.ci.santa-maria.ca.us/Twitchell.shtml>, and at the City's Utilities Department Administration Office, 2065 East Main Street, Santa Maria. Oral comments may be made at the hearing. Written comments should be addressed to the attention of the Twitchell Management Authority at the following address: 2065 East Main Street, Santa Maria, CA, 93454, and must be received no later than Friday, July 12, 2013, by 10:00 a.m. Within 45 days after the date of the hearing, the TMA will submit to the Court its recommendations regarding the Annual Report.
