Re: Cruzin For Life – Street Closures

As a public service to community members, the Santa Maria Police Department would appreciate your agency communicating the following information pertaining to the Cruzin For Life cruise traffic:

On Saturday, September 21, 2013, Broadway will be closed between Cook St. and Stowell Rd. from 12 p.m. to 4 p.m. No parking will be allowed on the cruise route between those times and all vehicles parked along Broadway after 12 p.m. will be towed away at the vehicle owner's expense.

In case of emergencies, Cook St., Jones St., Morrison St., and Stowell Rd. will have officers present to assist people across Broadway, which is expected to re-open by 4 p.m.

People entering Santa Maria from Highway 101 should exit the freeway at the Stowell Road exit, if they wish to view the cruise from the south end of the cruise route. If the north or central area of the cruise route is your choice for viewing the cruise, the Main Street exit should be used.
