National Visit a Park Day

Take advantage of Visit a Park Day on Friday, October 4 to spark a long-lasting bond between you and your City of Santa Maria Recreation and Park facilities.

The public is encouraged to set aside some time on October 4 to visit your local parks and enjoy the many benefits of these locations. This National Visit a Park Day event allows the opportunity for people to learn of the recreation offerings and education within parks that can spark healthy habits, renew a sense of appreciation for nature and community, and inspire ongoing visitation of parks for lifelong enjoyment.

From using the outdoor exercise trail and equipment at Rotary Centennial Park to taking a leisurely stroll at Los Flores Ranch, the Recreation and Parks Department has something for everyone and encourages you to enjoy the healthy benefits of visiting one of your local parks.

Visit one of your local parks on Friday, October 4th and take a picture of how you enjoy the park. Then visit the Recreation and Parks Department booth at the Autumn Arts Grapes and Grains festival, show us your picture, even if it is on your phone, and get a special prize (one per family).

Questions may be directed to the Recreation and Parks Office, 925-0951 ext. 260.
