My Vietnam Experience as a Marine Medic

Come honor our veterans on Veterans Day and listen to Vietnam veteran Quirino J. Galvez speak about his experiences as a Marine medic in Vietnam. Mr. Galvez served with the First Marine Division as a Navy Hospital Corpsman from December 1967 to December 1968 in the Northern part of Vietnam around the cities of Danang and Hue City. He was part of "C" Company of the First Medical Battalion of the First Marine Division.

He will share his pictures and experiences as a medic. Some of the pictures may be graphic in nature so this program is recommended for adults 18 and older. Mr. Galvez discusses the Vietnam landscape, culture and war as he observed and experienced it. It is a realistic look at war, unglamorized, raw and authentic through his eyes.

The program will be held on Monday, November 11, 2013 at 6:00 p.m. in Shepard Hall at the Santa Maria Public Library.

The Santa Maria Public Library is open Monday through Thursday from 10 a.m. to 8 p.m., and Friday through Saturday from 10 a.m. to 6 p.m. The library is closed on Sunday.
