Zinio Digital Magazines at the Library

The Santa Maria Public Library is offering a new service called Zinio Digital Magazines. If you are a person on the go and like to always have reading material available, then this is the service for you.

Zinio is the world's largest online newsstand and the Black Gold Cooperative Library System has purchased approximately 135 titles to start its digital magazine collection for your viewing pleasure. Magazine titles are on a wide range of topics from news, science and technology, sports, travel, lifestyle, entertainment, automotive, art, home, juvenile, young adult, and Spanish titles.

Magazines can be viewed on your computer, smart phone, tablet and other devices. Users need to download the Zinio Reader app, have a library card, and create two Zinio accounts. There are no waiting or checkout periods.

To get started with Zinio go to the City website and click on the Zinio button at <http://www.cityofsantamaria.org/210.shtml>

The Santa Maria Public Library is open Monday through Thursday from 10:00 a.m. to 8:00 p.m., and Friday through Saturday from 10:00 a.m. to 6:00 p.m. The library is closed on Sunday.
