Two-Day Revision of Santa Maria Main Public Library Hours

The Santa Maria Public Library will open at 11:00 a.m. - one hour later than normal - on Monday, November 10 and on Tuesday, November 11, because of staff training events.

The Library will stay open until 8:00 p.m. on both days, per the usual schedule. Hours of operation at the branch libraries (Guadalupe, Orcutt and Cuyama) will be unchanged for these two days.

The regular Main Library schedule will resume on Wednesday, November 12, 2014. The City apologizes in advance for any inconvenience the temporary schedule alteration causes.

Questions may be directed to the Library's administrative office, 925-0994 ext. 321.
