Movies in the Park Featuring The Muppets

The City of Santa Maria Recreation and Parks Department invites the entire community to the next Movies in the Park event on Saturday, September 20 at Rotary Centennial Park, 2625 South College Drive. This month's special feature is the family-friendly musical, *The Muppets*.

Walter is a lifelong Muppets fan, and when he learns about a plot to destroy the legendary Muppet Theater he quickly notifies Kermit. Together they set out and try to reunite the rest of the Muppets in hopes of saving their beloved theater. The group attempts to put a show together, but with such a long hiatus since their last performance it is difficult to get everyone's cooperation.

Bring your lawn chairs and blankets to Movies in the Park and find out if the Muppets can work together to save their theater. The movie starts at approximately 8:00 p.m.

Don't miss the last Movies in the Park showing with *Hotel Transylvania* on Saturday, October 25 at 8:00 p.m. at Pioneer Park, 1150 West Foster Road.

Questions may be directed to the Recreation and Parks Department, 925-0951 ext. 260.
